**Mellow Mushroom**

**Category:**  
*Commercial*

**Location:**  
*Huntsville, AL*

**General Contractor:**  
*Woodward  
Construction*

Each Mellow Mushroom restaurant is expected to be a unique and artful environment in which to showcase the offerings of this popular pizzeria franchise. Asked by the local franchisee to design a restaurant evoking a sense of camping in a state park, Matheny Goldman incorporated rustic peeled poplar logs, reclaimed barn wood, natural stone, and even converted an old RV trailer into a private seating area.
