

Matheny Goldman

Propst Arena at the Von Braun Center

Category:
*Convention /
Entertainment*

Location:
Huntsville, AL

General Contractor:
VCC

Matheny Goldman Architects teamed with Rossetti, a Detroit based architecture firm which specializes in sports facility design for the additions and renovations to the Propst Arena at the VBC. Incorporating 57,900 square feet of new construction and renovating and additional 34,200 square feet, the result is an exciting reinvention of Huntsville's preeminent sports and entertainment venue.
